This programme is approved for listings on the Financial Training Scheme (FTS) Programme Directory and is eligible for FTS claims subject to all eligibility criteria being met.

However, in no way does this represent IBF's endorsement of the quality of the training provider and programme. Participants are advised to assess the suitability of the programme and its relevance to participants' business activities or job roles.

The FTS is available to eligible entities, at a 50% funding level of programme fees subject to all eligibility criteria being met. FTS claims may only be made for programmes listed on the FTS Programme Directory with the specified validity period.

For further details, please refer to the Information Note for Training Incentives [here](#).

¹ Company sponsors refer to Financial Institutions regulated by MAS (either licensed or exempted from licensing). Entities that are significantly involved in supporting financial sector activities will be assessed for eligibility on a case-by-case basis.

To qualify for FTS funding, trainees must successfully complete the training programme (including passing all relevant assessments and examinations). Staff who attend a programme in the capacity of an instructor or facilitator, e.g. presenter / speaker / panellist are not eligible for FTS funding.
