**SWITCH CHANNEL 1: SWITCH CONNECT**
**DAY 1- Reimagining the Future: Towards a Better Tomorrow**

**Synopsis:** COVID-19 has inevitably disrupted many jobs and livelihoods in one way or another. As such, Day 1 of SWITCH focuses on different innovations that contribute towards building a better tomorrow. The day starts off with companies from sectors crucial to our survival – From Healthcare, Water, Food to Energy – and how they are disrupting the status quo and meeting the changing preferences of today’s consumers. From there, we delve into topics that focus on transforming and safeguarding our future.

**Music x Tech @ SWITCH: NSODS**

**SWITCH CHANNEL 1: SWITCH CONNECT**
**DAY 2 - Pushing Boundaries: Exploring Tech-tonic Frontiers**

**Synopsis:** Day 2 of SWITCH features organisations who value innovation and are unafraid to challenge the norm. We take a look at the technologies and innovations that are reshaping what the future would look like 30 years and beyond. From AI, robotics to quantum computing, and blockchain, we challenge you to rethink how these emerging technologies will change the way we live, interact, consume and navigate the limits we thought were impossible to overcome.
